Patent

REMARKS

In response to the election requirement, Applicant elects the species having the belt harness or the multi-point harness with the clip. Currently, Claims 9, 10, 11, 13, 14, 16, 17, and 22 are readable on the elected species. However, pursuant to 37 C.F.R. § 1.141, Applicant notes that upon the allowance of a generic claim, Applicant will be entitled to consideration of claims to the other disclosed species. Applicant believes that at least Claims 9-10, 13, and 14 are generic and are allowable. Therefore, upon allowance of any said generic claim(s), Applicant will be entitled to consideration of claims directed towards both embodiments.

Applicant believes that the above remarks completely respond to the Examiner's requirements. Should there be any additional matters to discuss, Applicant kindly requests the Examiner to contact the undersigned attorney.

Respectfully submitted,
